

POPLAR

POPLAR FLAT CUT BLUE DYED*

Liriodendrum tulipifera

Species Cuts: flat cut, quartered

Other Names: Tulip Poplar, Yellow Poplar

Country of Origin: United States

Alternative Veneers: Other variations of color available for bleached and dyed materials

General Applications:

- Paint grade for doors
- Furniture
- Store fixtures
- Lumber for molding
- Architectural panels

*Please contact your Dooge representative for FSC® availability of this species.

*Dyed veneer is first bleached and then processed with dye, resulting in consistency of depth and color.
